

**SOLDOTNA EQUESTRIAN ASSOCIATION, INC.  
2020 SPONSORSHIP**

Soldotna Equestrian Association, Inc.  
PO Box 4408  
Soldotna, AK 99669

To whom it may concern:

I am presenting this sponsorship opportunity on behalf the Soldotna Equestrian Association (SEA). SEA is a family-oriented non-profit organization located in Soldotna, Alaska. SEA embraces our country's equine heritage through community outreach, volunteering and education. For over 40 years, SEA has offered equine events to the Kenai Peninsula that allow us to serve the local community.

With sponsorships, SEA is able to host education-based organizations, such as Pony Club, High School Rodeo, and 4H. Sponsorships also allow SEA to maintain and care for the livestock these organizations use to further their education. With the support of sponsors, SEA is able to host popular rodeo events that allow SEA to give back to organizations including: Students in Transition Program, Hope Community Resources, Alaska's Healing Hearts, the Kenai Peninsula Food Bank, and Central Peninsula Hospital.

Any donation amount is greatly appreciated. Your name or business name will be featured on our flyers, social media, and announced during all events throughout the season. If your organization would like to donate, please contact our secretary (below) with the amount of your donation.

Thank you for your time and consideration.

Sincerely,

Samantha Lopez  
SEA Secretary
